

The diagram illustrates the architecture of Platform 1. A large light green rectangle represents the platform. Inside, at the bottom, is a light blue rounded rectangle labeled "Device List". Below this, outside the green rectangle, are three light blue rounded rectangles labeled "Device 1", "Device 2", and "Device 3". Blue arrows point from "Device 1" and "Device 3" to the "Device List" box. The text "Context 1" is in green, and "Platform 1" is in black.
